Cost saving Proposal

→ PB college student proposed new idea to reduce the rejections rate

→ Total cost saving INR 6,33,330.12 per year

P.B. College's Students Project Conclusion

- ❖ It is great to see that the growth of the organisation from the beginning quite astonishing and startling.
- ❖ Overall occurrence in this organisation provided us a clear mind that how the organisation is running.
- ❖ We came to see that every thing is going almost well planned though even a small change in the required areas will be providing a much organised platform.
- ❖ Hoping these changes have been made in the future and we yet to see a hike in this organisation.
- ❖ Thank you for this wonderful opportunity and we are very grateful to have a such working experience in here.
